

CORPORATE

MANOWCE

WELCOME

The discreet elegance of the palace together with its breathtaking location make Manowce a perfect retreat for business events. Our secluded spot is far away from city noise, at the edge of vast woodland and on a Baltic Sea lagoon, but it is located only 1.5 to 2.5 hours' drive from Szczecin and Berlin airports.

From board meetings requiring absolute discretion, through workshops and seminars, to large product presentations outdoors, we have the space and flexibility to accommodate a wide range of business events, for up to 100 delegates.

WHAT WE OFFER

At Manowce, you don't just hire a meeting room, you book the palace for your exclusive use.

For workshops and seminars, we offer the Meeting Room with the capacity to seat up to 30 people at U-shaped tables, or the Great Hall where up to 80 people can sit auditorium style. Board meetings and talks with business partners can take place in cosier rooms furnished with sofas or small tables and chairs. Product launches, exhibitions and cocktails can take place outdoors in our wonderful gardens and in marquees.

If you want to continue on into the evening, our thirteen double bedrooms and three apartments offer a comfortable alternative to an arduous journey home after a busy day. If you want to entertain your team during the day, then along with swimming in the bay and mushrooming in the woods, at our place they can enjoy kayaking, fishing or cycling, and we can organise activities such as horse riding, sailing, and shooting.

We will be pleased to cater for breakfast, lunch, dinner and coffee breaks. And should you wish your event to transform from flip charts and figures to drinks after dinner, then in our lounges you can wind down with a cold beer or a glass of wine, or round off the evening on the dance floor.

MEETING ROOMS

We offer two rental options for corporate training, workshops, seminars and other group meetings. For the basic option, we offer the lower-ground floor of the palace, where the Meeting Room is located. Together with the dining room (also used for dancing), two lounges and five toilets, this makes a complete environment for groups of 15 to 30 participants. If you need more space, as the second option, you can also use the upper-ground floor of the palace, which has historic interiors. The Great Hall and three luxurious reception rooms are located on this floor. From the Master Lounge you can step out onto the terrace and enjoy wonderful views of the bay and a sunset over its waters.

Most workshops and seminars take place in the Meeting Room, which is furnished in a U shape and accommodates up to 30 delegates. The Meeting Room

is air-conditioned, and has a projector, screen and other equipment pre-installed. In all function rooms and bedrooms we offer free Wi-Fi internet access.

The Great Hall accommodates 80 seated delegates in theatre style, and all other styles are possible here. It is furnished with historic furniture from the period of Louis XVI. This room can be adapted to your needs in terms of layout and equipment.

For board meetings and talks with business partners, we recommend the Drawing Room, which accommodates up to 14 people. We normally offer this room for meetings preceding a private dinner in the Great Hall. In winter, at our guests' request, we can light the fire in the beautiful 200-year-old tiled stove. The original Biedermeier furniture adds extra charm.
