

B R Y D G E

Made For Google

THE PERFECT DESKTOP EXPERIENCE FOR CHROME OS.

C-Type

Personalize your desktop experience with the first dedicated Chrome keyboard. The C-Type features a full keyboard layout, specific Chrome OS keys, and dual connectivity, all wrapped up in a sleek and stable design so you can type with comfort and precision.

Available For:

Chrome OS

Color:

MORE THAN A TABLET.
MORE THAN A LAPTOP.

Featuring a full laptop keyboard and oversized glass trackpad, the G-Type delivers the perfect laptop-like experience to the Pixel Slate.

G-Type

Transform your Pixel Slate into an even more powerful device with the G-Type keyboard. With 1.5mm's of key travel, 3-level backlit keys, and dedicated Chrome OS shortcut keys, you'll get the responsiveness and performance you expect from a quality keyboard.
