BRYDGE 10.2

BRYDGE 10.5

BRYDGE 7.9

Brydge, the leader in high-quality, design focused peripherals, announced the availability of their 10.5, 10.2 and 7.9 keyboards in Arabic layout at retail and online stores across the United Arab Emirates.

With a rapidly growing customer base in UAE, Brydge is thrilled to offer its award-winning keyboards in Arabic layouts. These newly released keyboards are available in all Apple Stores across UAE and [Apple online](#).

Creating innovative wireless keyboards for Apple's iPad range is the foundation of Brydge's reputation. Offering customers Brydge products in a global retail setting verifies the unmatched experience these products deliver to iPad users.

*"We are focused on creating unique products that perfectly complement the iPad in every way and in doing so, offer customers with an alternative experience and choice."*

TOBY MANDER-JONES, CO-CEO AND FOUNDER OF BRYDGE

"To now have our keyboards alongside the iPad in retail stores across UAE validates that Brydge is a genuine option within the category."

The [Brydge 10.2](#) for Apple's new iPad (7th Gen), and the [Brydge 10.5](#) for the iPad Air (3rd Gen) are available in Silver, Space Gray, and Gold. The [Brydge 7.9](#) for the iPad mini (5th Gen) is available in Silver and Space Gray.

From the premium aluminium body, dedicated iOS keys, and colour that is designed to perfectly match the iPad, Brydge products create a seamless transition from tablet to laptop.

Selected Brydge products are also available at [Virgin Megastore](#), [Jarir Bookstore](#) and [iSTYLE](#).

## ABOUT BRYDGE KEYBOARDS
