*iPad is a trademark of
Apple Inc.*

Brydge, a global leader in mobile and desktop accessories for the modern workplace, announced their newest keyboard, the **Air MAX+** for iPad Air (4th generation) and iPad Pro 11-inch (1st, 2nd & 3rd generations).

The Air MAX+ is the only independent keyboard/case combo for iPad Air (4th generation) with a true multi-touch trackpad. This antimicrobial keyboard and magnetic SnapFit™ Case features MIL-STD 810G 4-foot drop protection. Utilizing Bluetooth® technology, the Air MAX+ incorporates Brydge's Instant-On™ feature which means zero-lag when connecting to the iPad.

*“Following our recent announcement of the **12.9 MAX+** for iPad Pro, we are excited to bring another ground-breaking device to market - this time for iPad Air (4th generation) owners. The Air MAX+ combines the award-winning functionality of previous Brydge keyboards with a multi-touch trackpad and all-in-one protective case, perfect for users looking for a functional and protective solution.”*

NICK SMITH, CO-CEO AND FOUNDER OF BRYDGE

Keyboard and trackpad functionality aside, the Air MAX+ features a detachable SnapFit™ Case designed to flawlessly match the iPad. Simply snap the iPad Air into the magnetic back cover to create the perfect productivity experience - whether on the road, in the office or at home.

The Air MAX+ is ideal for users looking for a functional and protective solution that's designed for every environment. The **11.0 Pro+** (for the iPad Pro 11-inch 1st, 2nd & 3rd generations) is geared towards entry level Pro users looking for an affordable solution (now \$149.99 USD, was \$199.99 USD).

The Air MAX+ is available in Black and is now available for pre-order (shipping in June) for \$149.99 USD on [Brydge's website](#).
